ALL-NEW DASHING

DESIGNED TO DRIVE YOU

All images shown may differ from the actual car.

DASHING In Every Detail

One look at its captivating front facade, and you'll see that the allure of Jetour Dashing runs deep. Built around the concept of Vanguard Technology, from its sculpted exterior to its refined interior and powerful engine, every element is designed to deliver a sophisticated driving experience that leaves a lasting impression long after the journey ends.

Leave Others Behind, Amazed.

Make your departure as striking as your arrival. Leave a lasting impression with a beautifully crafted rear design that exudes elegance and presence.

All images shown may differ from the actual car.

'Mecha-Eyes' DRL & Split Matrix LED Headlights

Futuristic split matrix design headlights with multiple height adjustments, crafted to radiate brilliance far ahead.

Concealed Door Handles

Seamlessly concealed to enhance aerodynamics while preserving a sleek, uninterrupted profile.

19-inch Dual Tone Wheels

The perfect balance of comfort and handling, delivering a ride that's responsive yet smooth.

Exclusive to the Prime model only

All images shown may differ from the actual car.

Sporty Without Compromise

With a contoured design that blends sportiness with comfort, these bucket inspired sport seats don't just look good—they deliver a ride that feels like you're gliding on clouds.

All images shown may differ from the actual car.

Door Open Warning*

Stay alert with an intelligent system that warns you of approaching vehicles before opening the doors.

Cruise Control System

Minimise fatigue with a steady cruise control system designed to make long-distance drives smooth and relaxing.

Blind Spot Detection*

Never be caught off guard—Jetour Dashing monitors the road for vehicles in your blind spot with its millimetre-wave radar technology.

Rear Collision Traffic Alert*

Reverse and exit parking spots with confidence as Jetour Dashing's radar monitors the road for any unseen vehicles.

Panoramic Surround Camera*

Gain complete clarity and confidence in every manoeuvre with the 540° Panoramic Visual Driving Auxiliary System.

*Exclusive to the Prime model only.
